HOPE WEEK

LIGHT UP THE NIGHT!

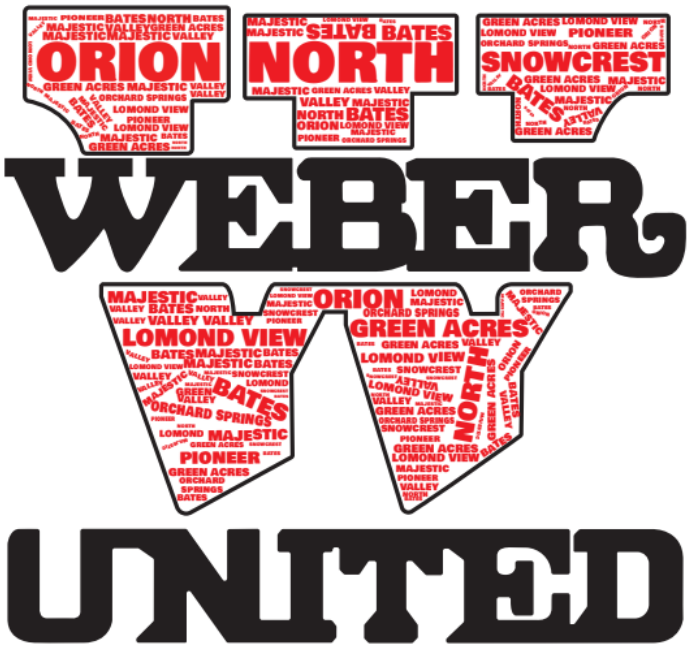
Hope Week Kick Off!

Join the Weber Cone to kick off Hope Week by celebrating “The Light of Hope,” #WEbeRStrongerTogether.

On Monday, September 27th, we will be shining spotlights on and off of Ben Lomond Peak to show our students and our community that there is always light in darkness, and always hope in pain and uncertainty.

Please join us in facilitating a community black out at 8:30 pm. Turn out as many lights as possible, helping us to see the spotlights on the mountain at 8:45 pm.

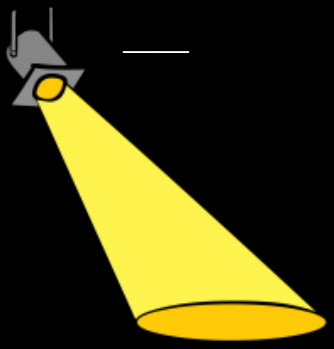
The light shown will represent the unity and strength we feel as a Weber Cone, and how hope can be seen by all, even during difficult times. When you see the spotlights turn on, please turn your porch likes back on, representing the light and hope we each spread and the strength we all have within ourselves, and within our community.



THE LIGHT OF HOPE

#WEbeRStrongerTogether

MONDAY SEPTEMBER 27th, 2021

COMMUNITY BLACKOUT 8:30 PM


SPOT LIGHTS ON BEN LOMOND PEAK: 8:45 PM
